1. FOB would like to request formally permission to tell UPSWING that "routine American returnee interrogation" has flushed CAERTINA from the returnee lists and is at this time debriefing.

2. The reason for this request is that several UPSWING staff members have discussed in apparent honesty UPSWING's intentions towards CAERTINA with various FOB staff members. If UPSWING learned that an American agency was dealing with the man, our relationships with the UPSWING staff members and with UPSWING as a whole might suffer.

3. We feel that there is no inherent danger in making this discreet admission to UPSWING.
